

2018 Year 3 & 4 Stationery List

Dear Parents

All of these items are essential to ensure that your child can participate successfully in the classroom programme, and to achieve a greater consistency across the school, in curriculum delivery, the type of stationery students use, and the conventions of how books will be set out and marked.

Items are readily available at all major stationery retailers, including the Seatoun Bookshop. When purchasing items, please ensure they are of good quality. Some books have inferior quality paper, poor bindings, or lines not straight.

In Year 3/4, students are learning to manage their own stationery, and therefore all items need to be **clearly** marked with their names, and with the curriculum subject (as per the list below). It is also important that students have pencil cases, which keep the "tools of the trade" together, and are easy to find in their desks. We would appreciate it if the students keep their fancy stationery (eg glittery pens, smelly rubbers, noisy pencil sharpeners) for use at home, as it tends to cause "desire and distraction" at school!

Thank you
Year 3/4 team
