Year 3 & 4 Stationery List

Dear Parents

All of these items are essential to ensure that your child can participate successfully in the classroom programme. All items are readily available at most major stationery retailers.

We will continue to use the Qizzle Kiwi Choice exercise books . These books are good quality and meet our learning needs. They will need to be ordered online at <https://www.qizzle.co.nz/>.

We are trying to avoid waste. If your child has any of these items from 2023, you do NOT need to buy a new one. Children may run out of some items during the year. If so, we will send home a note requesting a replacement item.

In Year 3/4, students are learning to manage their own stationery, and therefore all items need to be **clearly** marked with names, and the curriculum subject (as per the list below). It is important that students have either a pencil case, or a canister of some kind, to keep the “tools of the trade” together and easy to find in or on the desk. We would appreciate it if students keep their fancy stationery (eg glittery pens, smelly rubbers, noisy pencil sharpeners) for use at home, as it tends to cause “desire and distraction” at school!

Thank you
Year 3/4 team
