Year 3 & 4 Stationery List

Dear Parents,

All of these items are essential to ensure that your child can participate successfully in the classroom programme.

We are trying to avoid waste. If your child has any of these items from 2025, you do NOT need to buy a new one. We have tried to ensure children will have enough stationery for the whole year, but if they run out of some items, we will send home a note requesting a replacement.

In Year 3/4, students are learning to manage their own stationery, and therefore all books need to be **clearly marked with their names, and the curriculum subject** (as per the list below). It is important for students to have their stationery with them from Day One of the year and for the books to be clearly labeled (including subject) - this makes it so much easier for everyone.

It is important that students have either a pencil case, or a canister of some kind, to keep the “tools of the trade” together and easy to find in or on the desk. We would appreciate it if students keep their fancy stationery (e.g. glitter pens, smelly rubbers, noisy pencil sharpeners) for use at home, as it tends to cause “desire and distraction” at school!

Thank you,
Year 3/4 Team
